

Kiryn Crook
Track and Field Chairman
Royal Canadian Legion, District B

"Indeed, if one was to sum the contribution to track and field athletics over the last fifty years it would be found to be the most enduring, most faithful, and most generous non-governmental sponsor by far"

- Ottawa Lions Track and Field Club

THE ROYAL CANADIAN LEGION

YOUTH TRACK AND FIELD PROGRAM **DISTRICT B**

What We Do

The Royal Canadian Legion is a non-profit organization that has prided itself on its ability and willingness to aid those within their communities. While you do have to be at least 18 to join, this does not stop us from helping those of all ages in many of their endeavors.

Some of the programs the Legion is involved with are:

- Remembrance
- U15 and U17 Track and Field
- Youth Public Speaking Competitions
- Youth Poster Contest
- The Homeless Veteran Assistance Program
- Cadets

As well as many other things that you can find at: <http://on.legion.ca> and <http://www.legion.ca> or by visiting your local branch.

The Program

The Royal Canadian Legion's Track and Field Program is a program that allows athletes, ages 17 and under to compete in both indoor and outdoor situations.

The Indoor Program consists of the Provincial Meet that is held every year at York University. The Outdoor Meet, on the other hand, has a District, Provincial and a National Meet.

With the National Meet, athletes spend a just under a week with the selected team learning from experts as well as getting to compete.

How Athletes Qualify

For District Meets there is no qualification Meet. The only requirements are that the athlete lives within the District, who's event they are at.

The results obtained at the District Meet are what determine who is selected to go to the Provincial Meet. In District B the team is selected by the District chairmen, with primary confirmation made by the coaches.

For the National Meet, athletes are selected from the top contenders that were put forth from each District.

Upcoming Dates

Every year, track and field in Ontario consists of a packed schedule of events. Included in this are the Royal Canadian Legion's District, Provincial and National level meets.

Indoor Meet : TBD

District B

Date is to be determined, but will be in late May or Early June 2017
